For those who long for "the grand old days" of radio, Jazz88, KBEM, has answered the call.

"Jazz Noir" is a new original radio series complete with live voiceover actors in front of a studio audience, just like in the days of radio's infancy. Jazz88's first episode is an original drama, "Charles & Avon," that will be performed, recorded and broadcast in front of a live audience from the Artists' Quarter in downtown Saint Paul on Sunday, April 28, with shows at 5 p.m. and 8 p.m. The 8 p.m. performance will be broadcast live. Ticket information is available at www.jazz88fm.com
