One of the hottest trends in entertainment is the advent of the "day party." Common in Atlanta, St. Louis, Houston, Washington D.C. and other urban settings, within the past couple of years Minneapolis has joined in on the afternoon and early evening fun. This past week it was Thee Urbane Life making its debut into the day party arena with its signature Expressions graphic t-shirt party. Here are a few of the sights from the patio at Darby's Pub & Grill in Minneapolis.
