

Congressman Keith Ellison presents his forum on health care disparities in the African-American community

Written by

Thursday, 30 July 2009 13:49

Congressman Ellison and a panel featuring State Representative Bobby Champion, local health care providers and community activists will discuss health issues in the African-American Community.

Participants will discuss higher rates of chronic illnesses in the African-American Community & how to reverse negative trends.

Identify areas where families can immediately improve health with nutrition, dental care & planning for old age.

WHEN: Saturday, August 1, 2009

10:00 - Noon

WHERE: North Point Health & Wellness Center

1313 Penn Avenue North

Minneapolis
