Sabathani Senior Center in collaboration with AARP will offer assistance to community seniors in filing their homestead property tax or renter rebate tax forms.

According to Georgia Marinkov-Omorean, Sabathani Senior Center Program Director, the service will be available to people 50 and older on April 15 from 10 am to 2 pm at the Center, 310 E. 38th St. in Minneapolis, Room 106. There is no fee for the program but participants must sign-up in advance by calling (612) 821-2306.

“I encourage all seniors to take advantage of the tax rebate program, which will return money to taxpayers,” Marinkov-Omorean said. “Even if an individual has not yet received a property tax statement, we can look it up. Renters should bring their document supplied by their landlord.”
