The Jordan Park Community School building will re-open for the upcoming 2009-10 school year to accommodate for the growth and increased enrollment at Hmong International Academy. Jordan Park Community School is located at 1501 30th Avenue North.

Hmong International Academy initially had an enrollment of 105 students when it first opened in 2006. The school is projected to welcome approximately 400 students in the fall of 2009.

Superintendent Dr. Bill Green said, "Hmong International Academy has grown into a quality magnet school with a culturally specific focus, and it is my hope that the school continues to flourish and grow in its new school building."

Families may call Soua Yang, Student Placement Coordinator, at 612-668-1836 with questions about the move.
