support from undergraduate through doctoral programs, for students selected as Gates Millennium Scholars entering target disciplines

Individuals selected as Gates Scholars will receive funds in an amount to be determined based on their financial need. The amount determined will be based on the cost of tuition, fees, books and living expenses for the 2013-2014 academic year, as well as the availability of grants and other scholarships reported on the financial aid award letter. The average scholarship award in the 2000-2010 academic years was \$11,000 per student.

The application process is a three-part effort: 1) a Student Application is completed and submitted by the student; 2) a Nominator Form must be completed and submitted by an educator- Principal, teacher, guidance counselor or higher education representative; 3) a Recommender Form must be completed and submitted by any adult who is familiar with the student's community service and leadership activities, such as a supervisor at work or a community leader.

The deadline for submission is January 16, 2013.
